

PROJECT PATTERN RED ENVELOPE CLUTCH

Printing Instruction

The pattern is designed to be printable. We took into consideration the standard printer margin for letter & A4 sized papers.

Select "US letter" or "A4" under paper size. Make sure portrait mode is selected.

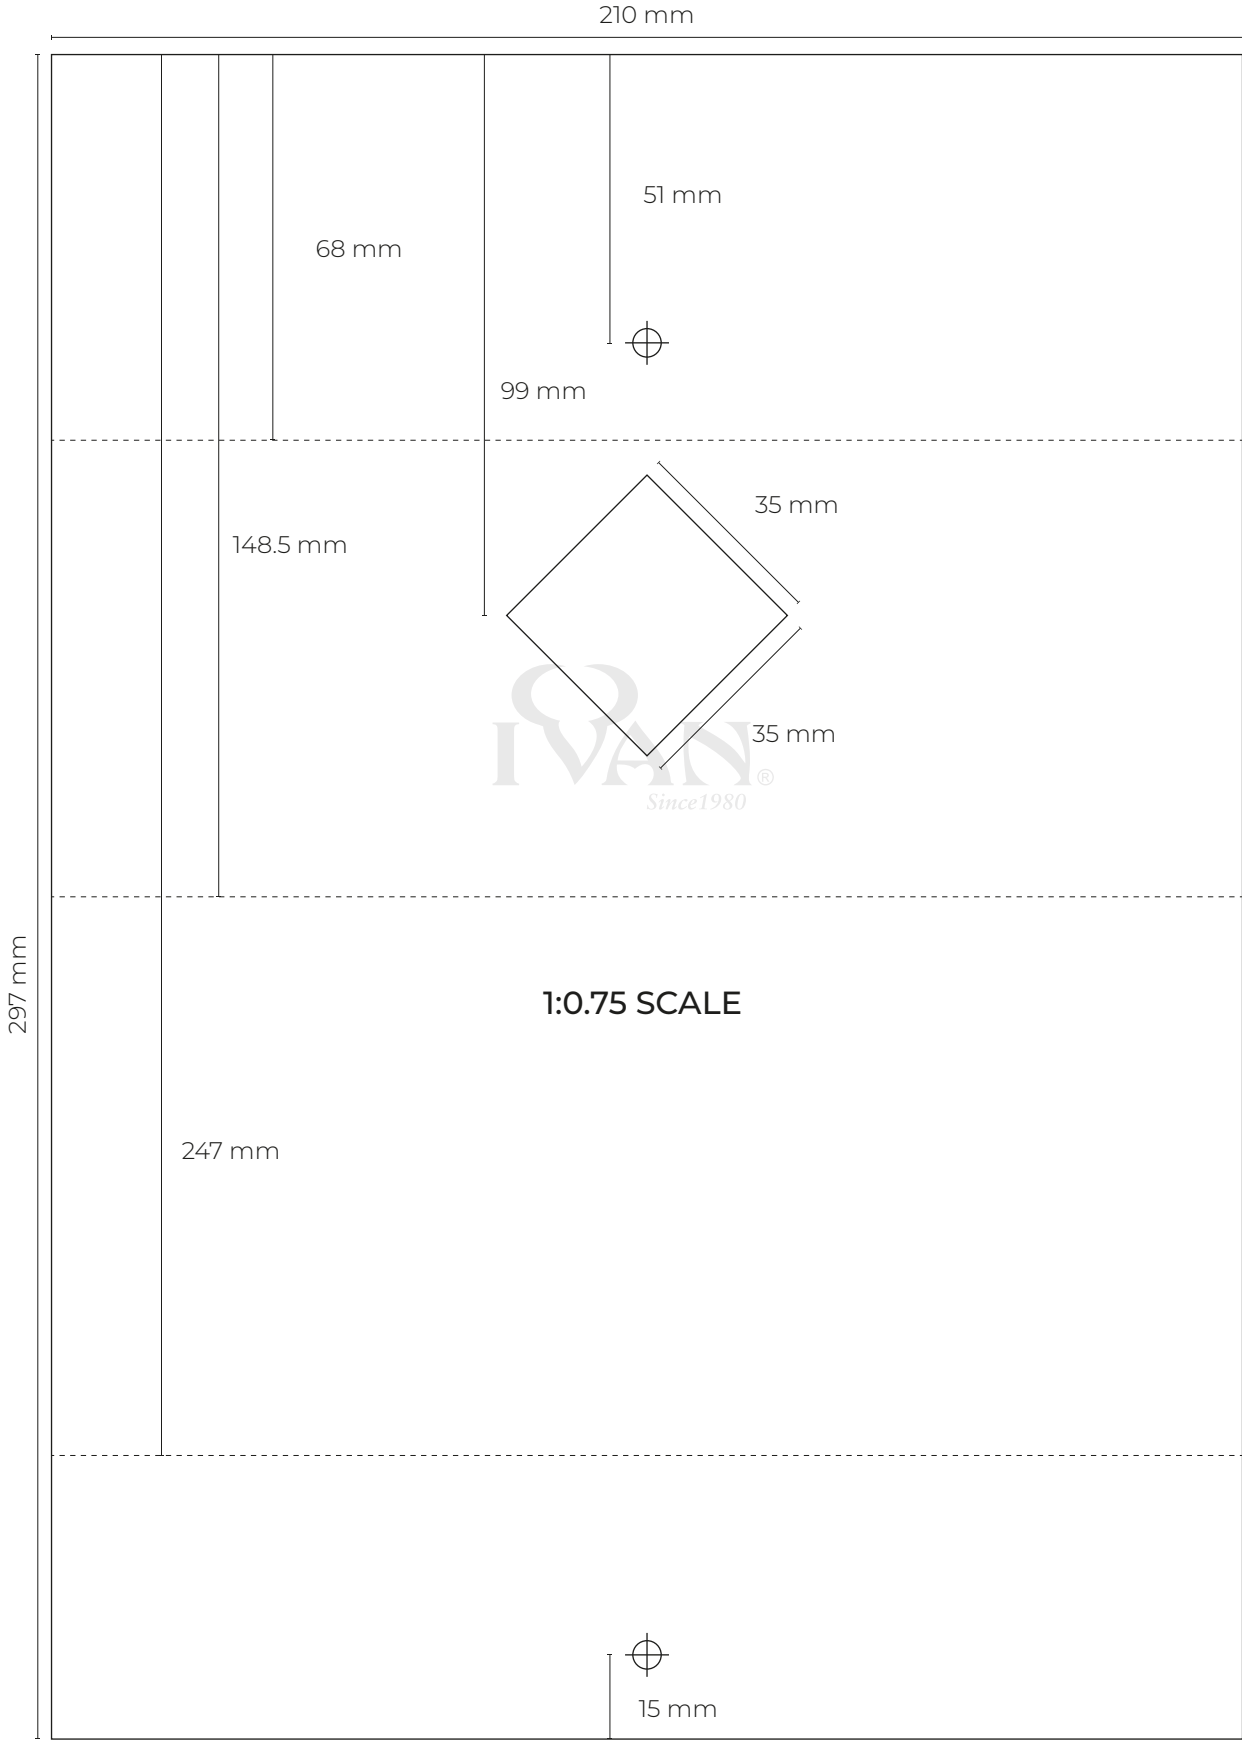

Be sure to click "scale: 100%" to ensure that the page is going to print to scale.

Instruction

1. Print out the patterns.
2. Choose a character from 8149-00 Stamp Set and stamp on a piece of veg tan leather. Then cut out a 35mm square. Bevel and burnish the edges. (Optional: color the character with acrylic paint and set aside to dry).
3. Trace the pattern onto Volterra A4 Panel. Punch out the holes and set hardware using snap setters.
4. Apply top coat on veg square, and glue the square above the snap, mark stitch locations and punch holes.
5. Measure the edge of the square 5 times and cut the thread. Stitch the square using saddle stitch.
6. Punch out a pocket notch using Pocket Notch Punch & Card Slot Punch.
7. Apply Edge Color and allow to dry.
8. Fold the envelope and glue the stitch seam together. Use Leathercraft Hammer flatten the fold.
9. Punch stitching holes on the sides and stitch together.
10. Optional: use Craftplus® Edge Creaser and gold foil to create a decorative gold line along the pocket edges.
11. Fill the envelope edge with Craftplus® Diamond Edge Base Coat, allow to dry before applying gold foil.
12. Complete.
