

PROJECT CARVING PATTERN BIKE SADDLE TRANSFORMATION (2/3)

Printing Instruction

This project pattern is scaled to fit on letter & A4 size papers. You can print out the instruction and use the dimension as a guideline to create the actual size template.

Tools & material available on www.ivan.tw

BIKE SADDLE TRANSFORMATION (2/3)

Instruction

1. Mark the seat center point using a string and stylus.
2. Cut out the pattern, mark, and punch out the hardware holes.
3. Dampen your leather slightly and secure the pattern on the saddle using screw posts.
4. Transfer the pattern onto the saddle using a stylus. Discard the pattern.
5. Remove your leather from the saddle and dampen the leather before carving.
6. Begin carving the solid lines on the pattern using a swivel knife. Ensure your leather remains damp at all times while carving.
7. Work on a marble surface and use the following stamps to add details to your design: J2370 (#82370-00X), B2070 (#82070-00), B2061 (#82061-00X), U2732 (#82732-00X), P2611 (#82611-00X), V2784 (#82784-00X), B200 (#6200-00), B201 (#6201-00), B971 (#66971-00), B801 (#6801-00), S722 (#6722-00), C431 (#6431-00), A104 (#6104-00)
8. Go back over your floral design with a swivel knife to make decorative cuts.

TIPS: Follow our YouTube video for a better understanding of the carving process.
