

PROJECT PATTERN LEATHER LINK BRACELET

Printing Instruction

The pattern is designed to be printable. We took into consideration the standard printer margin for letter & A4 sized papers.

Select "US letter" or "A4" under paper size. Make sure portrait mode is selected.

Be sure to click "scale: 100%" to ensure that the page is going to print to scale.

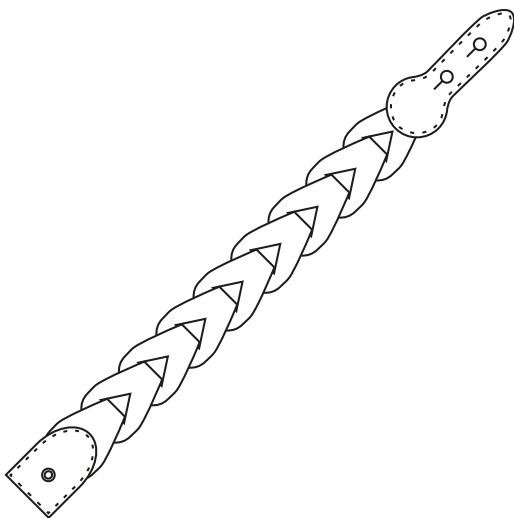

Recommended Leather Weight

1.6mm~2.4mm (4~6oz)

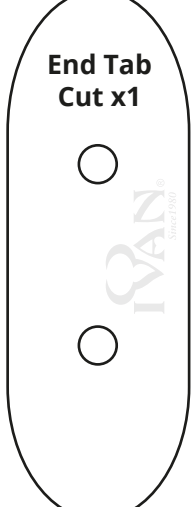

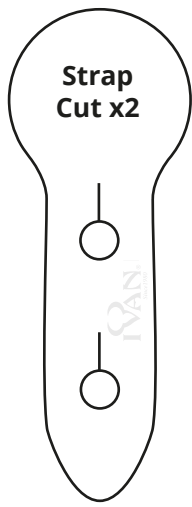

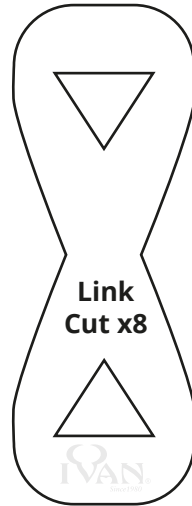

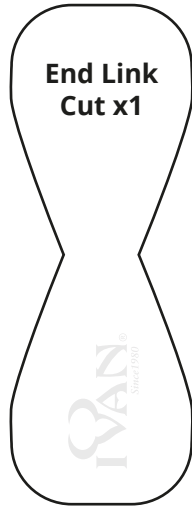

Instruction

1. Print out the pattern on heavy card stock & cut out the pieces.
2. Trace the pattern into leather.
3. Cut out leather panels & punch stud holes.
4. Fold link in half and insert second link. Repeat this step to connect 8 links & glue end link together.
5. Fold end tab over end link and mark end of the stitch line.
6. We recommend 3mm wide guideline for stitching. Punch all stitching holes.
7. Stitch end tab and bracelet together. Cut off excess thread.
8. Insert button stud and tighten with screw driver.
9. Mark guideline along strap edge and punch all stitching holes.
10. Stitch strap and links together.
